

A First For First Time Buyers!

Now you can
use your **\$8,000 federal tax
credit for closing costs or additional down payment!***

If you're buying an @home Builders home using FHA financing, you can now use your \$8,000 federal housing tax credit at closing. No need to wait for a tax refund! You can even use it towards your down payment (as long as you contribute at least 3.5%).

That's great news – especially since @home is introducing **AWESOME** new home designs, priced from just \$179,900! Located in The Preserve – THE best place to live in Henrietta!
